Description of how the Session meets the criteria below (100-400 words):

APA Certification Maintenance (CM) Criteria:

- are designed to meet a specific planning-related training objective.
- are led by one or more experts on the subject. An expert is a professional who has made a contribution to the profession through practice, teaching, research or publications; completed works that proclaim individuality and mastery of the principles of planning taught; and whose work demonstrates outstanding quality and professionalism.
- are designed to teach subject matter appropriate in depth and scope and at a level beyond a planner with at least two years of professional planning experience.
- are non promotional in nature.
- address demonstrated educational needs.
- communicate a clearly identified educational purpose or objective.
- use learning methodologies and formats that are appropriate to the activity's educational purpose or objectives.
- use evaluation mechanisms to assess an activity's quality and relevance.
